## why not give the gift of love?

Gift vouchers are available at reception.

### Late arrivals:

We love to keep things running smoothly and appreciate your help with this. We understand that working life is pretty hectic and we're happy to wait for you as long as we sensibly can; but please make sure that you arrive in reasonable time for your appointment! Unfortunately, if your late arrival means we have to reorganise our day, you will be asked to re-book your appointment and charged 50% of the treatment you had booked.

### Missed appointments and late cancellations

We love to see you, but if you really must cancel an appointment with us please cancel at least 24 hours before your booked treatment! The customer is always right, but it's left to our judgement whether or not a late cancellation or missed appointment will incur a 50% charge.

### Skin tests

We love your skin just as much as you do! We'd hate anything to happen to it, so help us to take care of your skin by following our testing recommendations. To reduce the risk of a reaction, we love to do skin tests for all of our products that you have not used before. So if you've not had a colour or tint, then we insist you have a skin test before you have your treatment! If you're too busy to wait for this test, or decide not to have one, then for your own safety Love the Salon will not perform the colour service.

### If you're not feeling the love

We love to offer hairdressing and beauty treatments of the very highest standard. If for any reason you are unhappy with your love the salon experience please let us know within 2 weeks.

NB prices were correct at the time of print. Created with love in the kitchen by Gray, Steve and Donna over tapas and several bottles of Pinot Grigio.

### Deposits

A deposit of 50% of the price is required for the following services: perms, straightening, colour change, eyelash extensions, hair extensions, hair art and beauty treatments booked for 2 hours or more.

## Love the Consultation

The key to our colour services is the 'Love the Salon' colour consultation. Before every colour service our colour experts carry out a complimentary in-depth colour consultation. This involves discussing your hair colour history, life style, skin tone, colour changes and the latest trend led techniques, thus gaining a full understanding of your colour requirements to enable us to make personalised recommendations for all your colour needs.

A complimentary consultation and a skin test is required 48 hours prior to any colour service. To extend the life of your colour we advise that you use the homecare products recommended.

For more information about all our colour services please consult our Colour Menu.
